

TEXAS RIVER SCHOOL

Friend of the River Campaign

Donation Drive

Help keep our kids and rivers healthy

Friend of the River Campaign promotes the support of Texas River School's mission to reach out to Austin's under-served youth by connecting them with nature.

Become a Friend of the River

Friend of the River Campaign is an opportunity to help Texas River School expand their unique education program.

Join our programming and outreach by donating a tax-deductible gift of \$25 or more to our Friend of the River Campaign.

Your donation will help finance one of our many river trips. Our "Discover the Resource" trip is a canoeing program for area youth, ages 9 to 18, which emphasizes the importance of the "source" of Barton Springs. The Colorado Downriver Trip starts at the Montopolis Street Bridge and ends at Texas River School's Canoe Camp, emphasizing the importance of the river in a more rural setting.

As a non-profit organization, our goal is to promote and provide awareness and education about surface and ground water resources, and their preservation, conservation, and protection.

We are constantly developing programs for camps and similar educational programs for youth, which focus on rivers, aquifers and water activities. We are centered on education, recreation, and outreach activities for the general public related to water resources.

"Not only did I witness children who were academically struggling at our school take leadership roles during the trip, I watched them as they successfully participated in problem solving and critical thinking activities that just blew me away!"

- *Claudia M. Santamaria, Principle,
J.J. Pickle Elementary School*

"Dear Texas River School, Thank you for teaching me so much about canoeing. It was a great reward for a lot the hard work I did all year. My friends and I had a lot of fun on the canoe and when we went snorkeling. I liked both activities equally, but I liked slightly more the snorkeling even though I couldn't feel my legs and we were dressed in silly outfits. I had lots of fun. It was the best day of my life!"

- *Miriam Caldenas, 4th grader at
Sanchez Elementary*
